President O'Live & Italy Cultural Association

VIA FIRENZE, 25088 Toscolano Maderno (Bs) (Italia)

O'Live & Italy is a cultural project designed with different activities throughout the year, both for Italian and foreigners. The aim is to promote the knowledge and consumption of extra virgin olive oil, its nutraceutical properties and the role it plays in cooking in general and in the context of the so-called Mediterranean diet, it also promotes the value of biodiversity. The Association has for its purposes also the qualification of the figure of the professional virgin olive oil taster, as well as social and cultural improvement of its members in the fields of food and wine, communication and culture in general.
